Beck Branch Parallel Interceptor Phase II and Plano Spring Creek Force Main Parallel

Beck Branch Parallel Interceptor Phase II and Plano Spring Creek Force Main Parallel

Background

- On or about May 28, 2020, NTMWD entered into a construction contract for the Beck Branch Parallel Interceptor Improvements, which consists of the Phase II portion of the Beck Branch Parallel Interceptor and the Plano Spring Creek Force Main Parallel, with ARK Contracting Services, LLC (ACS) (reference Administrative Memorandum No. 5557).
- On December 2022, the Board approved \$15,000 of legal services to SW&B to assist with negotiations and to attend a pre-suit mediation with ACS (reference Consent Agenda Item No. 22-12-06).
- On May 26, 2023, ACS filed lawsuit seeking \$10M in alleged damages. SW&B filed a response on behalf of NTMWD.

Beck Branch Parallel Interceptor Phase II and Plano Spring Creek Force Main Parallel

Background (continued)

- On July 21, 2023, ACS sent NTMWD a notice of contract termination, abandoning the project.
- On August 2023, the Board authorized \$100,000 of additional legal services to SW&B to defend and prosecute claims in pending litigation with ACS, to assist in managing response to ACS's abandonment of project including making demands upon ACS's surety to complete the remaining work for the project (reference Consent Agenda Item No. 23-08-04).
 - Those demands were rejected and claims against ACS's surety are also pending in this litigation.
