NTMWD Water and Wastewater CEU Courses

As a service to our Member Cities and Customers, NTMWD is offering TCEQ approved Water and Wastewater CEU credited classes for your Water/Wastewater/Collection Licensed Operators. These classes are 20/24 hour, instructor led classroom training courses utilizing TEEX lesson plans. The instructors are NTMWD employees who have been certified by the TCEQ. The only monetary cost for this service is the cost of a TEEX Participant Manual (a book) for the class. A book should be purchased two weeks in advance. Enrollment is first come, first served with a 30 seat limit for most classes.

How to enroll: Email – Water classes: sholley@ntmwd.com or Wastewater: mhelms@ntmwd.com and provide the name of the class, class dates, enrollee, and the enrollee’s email address (to provide a certificate of completion).

Classroom locations:

Main Training Room Engineering Building 505 E Brown St Wylie, TX 75098	Water Operations Center Training Room 851 Forest Ross Rd Wylie, TX 75098
---	--

Class times: Classes are 20 or 24 hours. Days 1 & 2 are 8am-5pm and day 3 is 8am-12pm (5pm for 3 day classes).
Dress Code: **No shorts or open toe shoes.** *Please bring face coverings for moving about in common areas and do not come to class if you feel ill.*

Classes currently scheduled include the following:

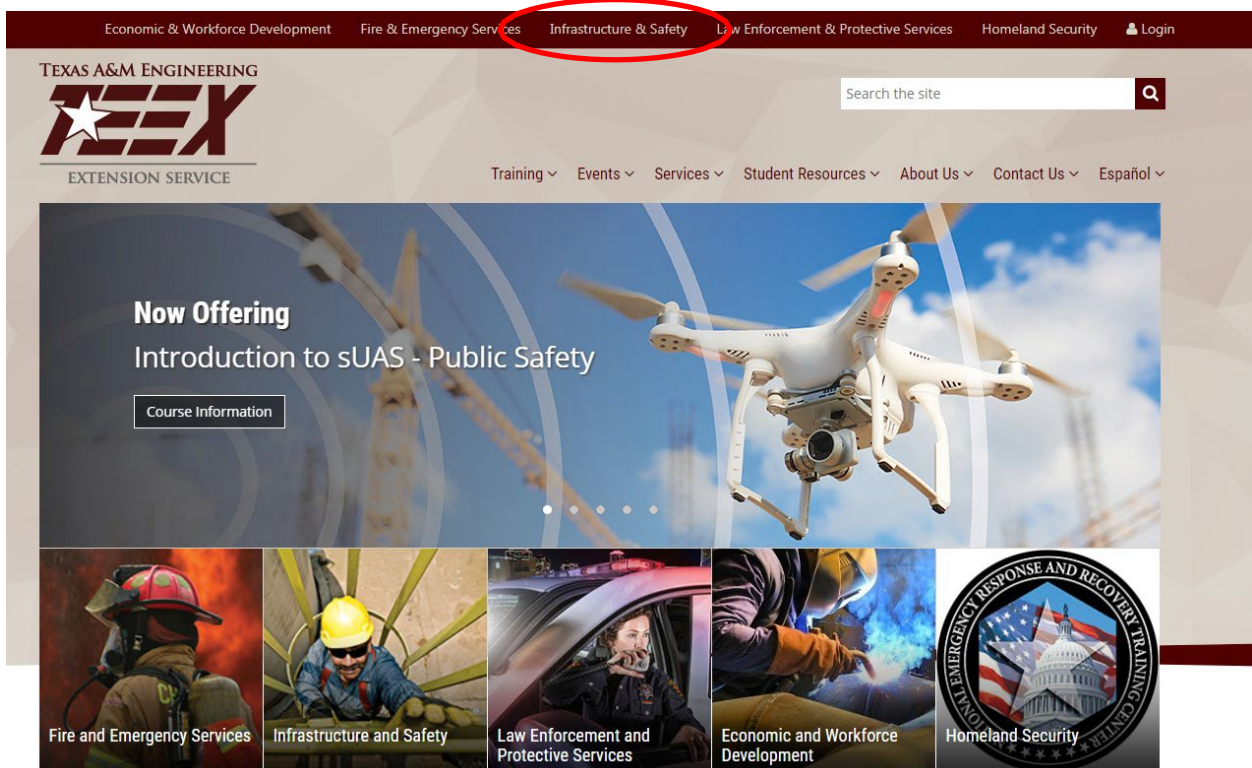

Class	Date	Location	Certification
Water Utilities Calculations (full)	October 19-21	Water Ops Center Training Room	Dual
Basic Waterworks Operations	November 16-18	Water Ops Center Training Room	Water
Wastewater Laboratory	December 14-16	Main Training Room	Wastewater

Note: Please check the Member Portal (<https://www.ntmwd.com/login/portal/> Training Opportunities) to view currently scheduled classes. If you are currently enrolled and a class is rescheduled, you will be notified via phone or email.

How to purchase a book:

Go to www.teex.org

At the top of the page, click on Infrastructure & Safety:

Next, scroll down to the Resources Section and click on bookstore:

Resources

On the right side of the page, select your customer category (Taxable/Tax Exempt):

The screenshot shows the top navigation bar of the TEEX website. The header includes the text 'INFRASTRUCTURE & SAFETY TRAINING MARKETPLACE' and the TEEX logo with 'TEXAS A&M ENGINEERING' and 'EXTENSION SERVICE'. Below the header is a navigation menu with links for 'Home', 'My Account', 'Browse Catalog by Customer Category', and 'Shopping Cart'. A search bar is also present. The main content area features a large image of a worker in a blue hazmat suit and white hard hat. To the right of the image is a 'Select Customer Category' dropdown menu with two options: 'TAXABLE' and 'TAX EXEMPT', both of which are circled in red. The 'TAXABLE' option includes the text: 'Click here if: You are not a tax exempt entity and your order will be shipped within Texas'. The 'TAX EXEMPT' option includes the text: 'Click here if: You have a Texas Tax Exemption form on file with TEEX or your order will be shipped outside Texas. Your status will be validated during the checkout process.'

Texas A&M Engineering Extension Service - A member of The Texas A&M University System

Next, click on the WATER/WASTEWATER link, choose a book, and purchase your manual:

This screenshot shows a 'Select Customer Category to View Catalog of Items' dropdown menu. The menu is open, displaying several categories: 'ELECTRIC POWER', 'SAFETY & HEALTH', 'TRANSPORTATION', and 'WATER/WASTEWATER'. The 'WATER/WASTEWATER' category is circled in red. Below the categories is a 'Shopping Cart' section showing 'Item(s): 0' and 'Total: 0', with the message 'Your basket is empty.' and buttons for 'View Shopping Cart' and 'Checkout'.
