NTMWD Water and Wastewater CEU Courses

As a service to our Member Cities and Customers, NTMWD is offering, TCEQ approved Water and Wastewater CEU credited classes for your TCEQ Licensed Operators. These classes are 20/24-hour, classroom-training courses utilizing TEEX lesson plans. The instructors are NTMWD employees who are certified by the TCEQ. The only monetary cost for this service is the cost of a TEEX Participant Manual (a book) for the class. A book should be purchased three weeks in advance.

How to enroll: Email – zjackson@ntmwd.com and provide the name of the class, class dates, enrollee, and the enrollee's email address (to provide a certificate of completion).

***** NOTE:** Course format has changed from 3-day classes (8hr, 8hr, 4hr) to 2-day classes (10hr,10hr). ***

Class times: Classes are 20 hours over TWO days. Days 1 & 2 are 7am-6pm. 24 hour classes are 3 days 8am-5pm.

Enrollment is first come, first served.

Class sizes may be limited due to capacity limits.

Dress Code: **No shorts or open toe shoes.**

Please do not come to class if you feel ill.

Classroom locations:

Main Training Room Engineering Building 505 E Brown St Wylie, TX 75098	Water Operations Center Training Room 851 Forrest Ross Rd Wylie, TX 75098

NTMWD will be hosting TEEX at our location for several classes in 2024 as a convenience for all participants. Registration for TEEX hosted classes will be completed through TEEX’s website:

[Course Calendar | TEEX.ORG](https://www.teex.org)

How to purchase a book:

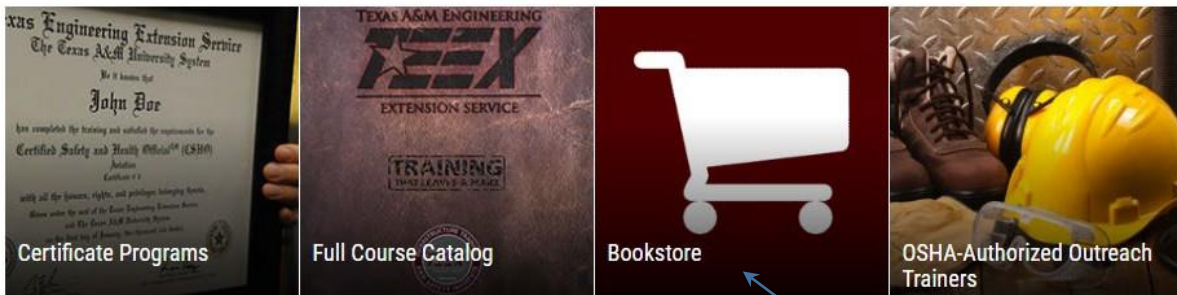

Go to www.teex.org

At the top of the page, click on Infrastructure & Safety:

Next, scroll down to the Resources Section and click on bookstore:

Resources

On the right side of the page, select your customer category (Taxable/Tax Exempt):

The screenshot shows the top navigation bar of the TEEX website. The header includes 'INFRASTRUCTURE & SAFETY TRAINING MARKETPLACE' and the TEEX logo. Below the header is a navigation menu with links for 'Home', 'My Account', 'Browse Catalog by Customer Category', and 'Shopping Cart'. A search bar is also present. The main content area features a large image of a worker in a blue hazmat suit and white hard hat. To the right of the image is a 'Select Customer Category' dropdown menu with two options: 'TAXABLE' and 'TAX EXEMPT', both of which are circled in red. The 'TAXABLE' option includes the text: 'Click here if: You are not a tax exempt entity and your order will be shipped within Texas'. The 'TAX EXEMPT' option includes the text: 'Click here if: You have a Texas Tax Exemption form on file with TEEX or your order will be shipped outside Texas. Your status will be validated during the checkout process.'

Texas A&M Engineering Extension Service - A member of The Texas A&M University System

Next, click on the WATER/WASTEWATER link, choose a book, and purchase your manual:

This screenshot shows a 'Select Customer Category to View Catalog of Items' dropdown menu. The menu is open, displaying several categories: 'ELECTRIC POWER', 'SAFETY & HEALTH', 'TRANSPORTATION', and 'WATER/WASTEWATER'. The 'WATER/WASTEWATER' option is circled in red. Below the dropdown menu is a 'Shopping Cart' section. The cart is currently empty, showing 'Item(s): 0' and 'Total: 0'. A message states 'Your basket is empty.' and there are two buttons: 'View Shopping Cart' and 'Checkout'.
